## PROFILE

I am energetic, curious, and motivated to learn new things. I value different viewpoints and actively include everyone around me. Colleagues appreciate my proactive approach and my ability to prioritize tasks with the big picture in mind.

## TECHNICAL SKILLS

HTML, CSS, Bootstrap, JavaScript ES6, SQL, git, GitHub, Heroku, Ruby on Rails, PostgreSQL, Figma, Miro.

## PROJECTS

### TRAVEL PLANNER

HTTP://WWW.TRAVELD.EU

A Ruby on rails Mobile-Web-App to plan your trip based on covid travel restrictions. To retrieve real data we used 2 ''Amadeus for Developers'' APIs

### MARKET PLACE FOR FABRICS

HTTPS://AIRBNB-SAROWA158.HEROKUAPP.COM/

A Ruby on rails Web-App. A market place for fabrics that otherwise would go wasted
